PROPERTY DESCRIPTION

STANDARD SALE!!! We have an equity seller here. Great floorplan with the master bedroom and master bath down. Formal living room with fireplace. Remodeled kitchen adjacent to the family room and eating area. Lots of pantry storage in the kitchen. Laundry room off kitchen has a 1/2 bath - so the master bath is not the community bath when you have company. Garage access from laundry room. 5 good sized bedrooms upstairs- there is a jack & jill bedroom with the divider removed- closets and doors are still there - all you need to do is put a wall in to make it 5 bedrooms again. (Had a folding wall that was removed long ago). Large backyard with covered patio with spa. Ready for a new buyer. Seller is downsizing
